

Partners

in Information Access for
the Public Health Workforce

A collaboration of U.S. government
agencies, public health organizations
and health sciences libraries

<http://PHPartners.org>

Our Mission

Helping the public health workforce find and use
information effectively to improve and protect
the public's health.

The Partners

Agency for Healthcare Research
and Quality (AHRQ)

American Public Health
Association (APHA)

Association of Schools
of Public Health (ASPH)

Association of State and Territorial
Health Officials (ASTHO)

Centers for Disease Control
and Prevention (CDC)

Health Resources and Services
Administration (HRSA)

Medical Library Association (MLA)

National Association of County
and City Health Officials
(NACCHO)

National Library of Medicine
(NLM)

National Network of Libraries
of Medicine (NN/LM)

Public Health Foundation (PHF)

Society for Public Health
Education (SOPHE)

<http://PHPartners.org>

PHPartners.org Resources

The Partners Web site provides links to information in 10 main categories:

- Health Promotion and Health Education
- Literature and Guidelines
- Health Data Tools and Statistics
- Grants and Funding
- Education and Training
- Legislation
- Conferences and Meetings
- Finding People
- Discussion and E-mail Lists
- Jobs and Careers

In addition it provides public health topic pages and news as well as links to several Partners-supported initiatives such as the *Healthy People 2010 Information Access Project*, the *Public Health Information and Data: Training Manual* and online tutorial, and the *Resource Guide for Public Health Preparedness*.

More Information

NN/LM, the National Network of Libraries of Medicine[®], assists public health workers with training on Partners and other Web resources, providing speakers for educational programs or meetings, obtaining copies of journal articles, and identifying local health library resources.
